48MP AI quad camera | Ultra-wide angle and macro lenses

6000mAh (typ) high charge cycle battery | 18W fast charging

Qualcomm® Snapdragon™ 662 | Octa-core CPU, up to 2.0GHz

6.53" FHD+ Dot Drop display | Dual speakers

48MP AI quad camera, ultra wide-angle and macro lenses

Touting a 48MP AI-equipped quad rear-camera, Redmi 9T offers premium image and video quality that will "wow" even the most advanced creators. The device's 2MP macro lens captures every minor detail, while its 120° ultra-wide camera enables top-notch group or landscape shots -- ensuring every subject makes the cut. Overall, Redmi 9T offers a versatile photography experience that'll have users prowling for more photo ops!

6,000mAh (typ) battery with 18W fast charging

Boasting a massive 6,000mAh battery and MIUI ultra battery saving mode, Redmi 9T is ready to keep up with even the heaviest usage, all day! Its 18W fast charging capabilities allow for speedy charge up so users can spend less time charging and more time creating with Redmi 9T!

Qualcomm® Snapdragon™ 662 octa-core CPU, up to 2.0GHz

With a Qualcomm® Snapdragon™ 662 Mobile Platform, Redmi 9T delivers a brilliant mobile experience with higher performance, less heat production, and lower power consumption. Equipped with 3rd generation Qualcomm® AI Engine and up to 2.0GHz of processing power, Redmi 9T is faster and more responsive than ever before.

6.53" FHD+ Dot Drop display and TÜV Rheinland Low Blue Light certification

Sporting a stunning 6.53" Dot Drop display, Redmi 9T offers an exceptional FHD+ visual experience that's simply best in class. Bright, crisp colors burst out from a nearly bezel-less screen to enable a truly immersive video and gaming experience. Moreover, the TÜV Rheinland certified display supports a comfortable viewing experience by filtering blue light and protecting users from prolonged eye strain.

* No reverse wired charging cable included in the box
